

AUGUST NEWSLETTER 2010

*Welcome Riders, Parents and Trainers,
Thank you for your patience regarding the web site. This year we will have an automatic system notifying you to check for OCIEL emails. Please register early for any updates.*

The first horse show is scheduled for October 9th and 10th at the Riding Park in San Juan Capistrano. The show starts at 7:30 am with the Novice and Freshman Divisions. This is an SAT testing weekend. Please advise the office if you are scheduled to test and we will try our best to post your name at the end of the order.

The home page has information about the Dressage Division. Due to lost revenue over the last two years, we may have to cancel this division unless there are 25-30 committed riders.

Jumpers, please read the rules for this division as it has changed due to the respect of the horse. Points have also changed.

Novice now has a Medal class without oxers. Please read those rules.

Membership, eligibility and entry forms can be downloaded and sent in any time now before the September 27th show deadline.

Please email me for any questions.

*Respectfully,
Diana Ramsey*
