HAPPY NEW YEAR OCIEL MEMBERS!

Where did the time go? We cannot believe the season is nearly over and these are the last shows of the season, January 16th and 17th. **Rain date is the following weekend, January 23rd and 24th.** Keep an eye on the web site for any changes.

The Novice and Freshman classes will start at 7:30am. Western will start at 9am and Dressage will run a little later in the morning, which will be posted.

January 17th is the Medal Final in Hunters and Western. The top 15 qualified riders will be posted in the show office on Saturday. Read the rules for the Medal Final. The Champion and Reserve Champion at this show are the year-end winners.

All gold, silver and Victor Hugo-Vidal perpetual trophies from individuals and schools must be returned to the show office on this weekend. You will also receive a telephone call as a reminder.

All seniors will receive scholarship applications in the mail by the 15th.

The banquet date and location is being finalized and will be posted soon.

LAIEL and OCIEL now carry the official ® from the U.S. Patent and Trademark office. It's one huge accomplishment for this organization.

Happy New Year!
